

Silverdale Borough

Community Day

Preference Board Results

September 12, 2021

Silverdale Borough hosted its first Community Day on September 12th, 2021. The event was the direct result of the Community Survey Requests.

Overview: The Steering Committee created Preference Boards and hosted an informational table at the entrance to the event. There were a wide range of participants of varying age groups, predominantly young families in their thirties.

Purpose: Explanation of the Survey, why we did it and the purpose of finding new Municipal revenues.

Barth Consulting Group manned a table to explain the Community Survey Results and to engage community members in refining additional preferences in relation to key issues in the survey.

Result: 13 residents signed up to participate in a Silverdale Focus Group.
